

# 3/4D sharing with KG

On Harmony Day 3/4D and KG shared their 'Story in a box' with each other and the parents. Students' individual boxes were displayed around the room and they shared stories of their special items.

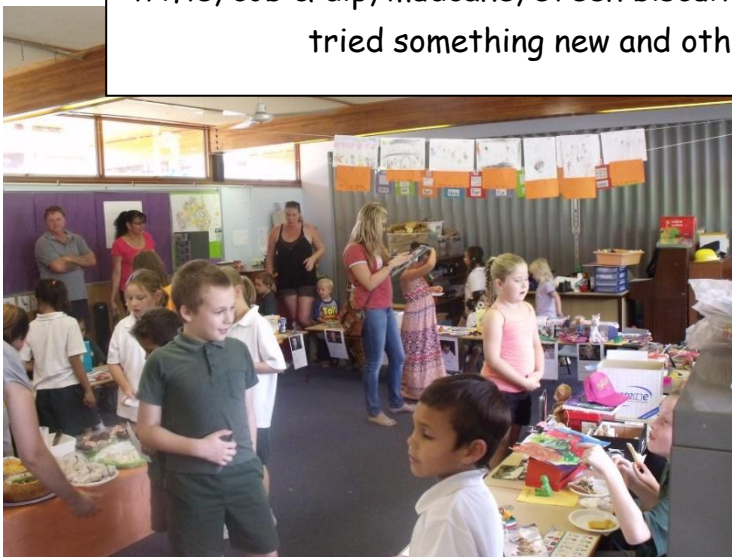

Sharing our story boxes with each other and our parents.

Food glorious food! We had green and gold cupcakes, vegemite sandwiches, trifle, cob & dip, mudcake, Greek biscuits and lamingtons. Most of the students tried something new and others found new food to love.

Just hanging out with our friends being kids!
