

Bilbies 2011-Term One

This term the Bilbies have been very busy! We have been learning new routines and how to get along with one another! We have started to develop new friendships and are getting used to our new class! We have celebrated Harmony Day and Colour Days with our preschool friends. But most importantly of all we have been having fun while we are learning!!

We have been very busy this week making creative hats for our Easter Hat Parade! We would like to thank our parents for helping us!
