

Preschool Koalas

Celebrating Harmony Day 2011 with our buddy class 3-6D

We divided into two teams and then we had a fantastic, friendly game of soccer with our buddy class. Everyone got a turn at kicking the big ball!

Our big buddies helped us with a craft activity before we shared our 'Stories in a box'

Our families had been busy making some delicious foods for us to share. We were able to taste different foods from different cultures while we had a relaxing outdoor picnic.
